*Worldwide Parcel Services are one of the UK's cheapest online parcel delivery services, shipping to over 200 countries across the world.*

BELVEDERE, KENT, UK, July 7, 2014 /EINPresswire.com/ --

Worldwide Parcel Services are one of the UK's cheapest online parcel delivery services, shipping to over 200 countries across the world. The weekend commencing the 5th July 2014 saw the company offer a special 10% off of all parcels, [large parcels](#), no matter what size or weight and eventual destination they were sending. In line with the high demand this had caused and requests from their loyal customer base, the parcel delivery company have chosen to extend this offer up until the 9th July 2014, a Friday.

Customers who are seeking this offer from Worldwide Parcel Services must be alerted to the fact of booking within three days to qualify. If this is completed, the customer may have their parcel collected any time up until Monday 14th July 2014. Customers who are interested in booking cheap parcel delivery with Worldwide Parcel Services can use this 10% on any parcel by simply entering the promo code `summer10pc` at the checkout stage of their parcel order.

This summer offer gives customers the chance to send parcels with some of the biggest and most reputable couriers in the world. Courier services available include 5 services from three couriers. The three couriers who are available to customers at Worldwide Parcel Services are: DHL, UPS Logistics and Interlink Express. Worldwide Parcel Services also offer two services from their own courier brand.

Worldwide Parcels Services ship to Asia, South America, North America, Europe, Africa and Australasia. As well as this, an import service is made available. The import service only applies to customers wishing to import directly to the UK. If this is the case, the customers can simply do so from any destination which is available online at Worldwide Parcel Services.

The cheap parcel delivery company are also offering a range of benefits to regular customers of the company. Customers who send 5 international payments or more a year are likely to be

eligible to become a 'Regular Shipper' with the company. By registering online, customers can find out whether they can receive the following: cheaper and faster delivery, ship to and from addressed stored online, parcel sizes stored online, repeat shipment facility, pre-payment facility and all shipments and invoices stored.

Worldwide Parcel Services offer cheap parcel delivery and import to over 200 countries across the globe.
