

Unite Limited Expands its Introduction Services to Private Investors

Are you currently engaged in on or offshore investments? Are you considering making some positive changes or additions to enhance or diversify your portfolio?

GIBRALTAR, GIBRALTAR, GIBRALTAR,
July 15, 2014 /EINPresswire.com/ -- For

the first time, Unite Limited, a leader in B2B investment introductions for industry professionals is now pleased to offer this opportunity to qualifying private investors.

This provides an excellent opportunity for potential investors to be introduced to a UK fully FCA regulated Investment Boutique in London that is well established and offers the expertise of an institution and the personal service of a boutique. Trading the worlds largest market - the FX arena (with a small exposure to precious metals) they build portfolios for their clients that look to take advantage of the market climate, whatever that climate is.

Secure, transparent and fully compliant

James Richards

This has become increasingly popular over recent years when

markets have been volatile often resulting in significant losses.

The clients who work with them speak very highly of their service and capabilities.

This is a credible and progressive company with a wealth of talent and a highly professional team of experienced and skilled traders. Their successful business model has been built on client retention and referrals. They are technical traders and build their portfolios using their bespoke trading systems.

Most importantly of all, the risk is personalised to each and every client and the service they provide is exactly the same, i.e., it is personalised to individual requirements. It is also a 100% transparent model.

- Funds held by a UK custodian
- Secure and Compliant - FCA regulated
- Cash or Pension investment
- Bespoke, highly personalised service - each client account is traded according to their own specific risk appetite/reward objectives
- Transparency – clients have full 24/7 real time access to see all trading activity on their account
- Currently trading over £1 billion in a variation of currencies per month they provide trading advice to a broad spectrum of clients including individuals, corporations, family offices, pension funds, etc.
- SIPP, SSAS, QROPS approved

- Suitable for UK residents, expats and international investors

This is a unique opportunity for investors to have a personal introduction to the most senior trader and CEO for a no obligation consultation.
