Beautiful Cast of Force© TV Series  
(<http://forcepilot.com>)

Press Release - Jul. 15, 2014 - ATLANTA

Nevermind that the people in the cast of the upcoming TV series FORCE© are talented and attractive, they are also

extreme in their ACTUAL abilities at kicking a\$\$es and taking names.

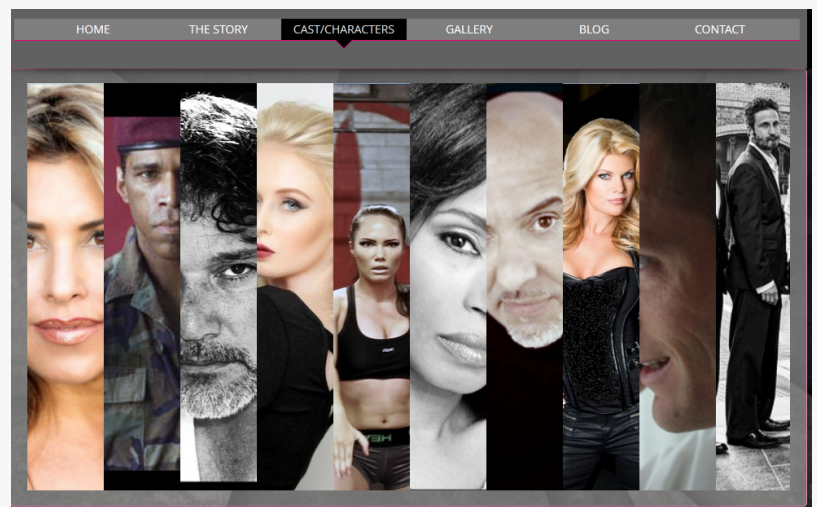

The cast of FORCE© is jammed full of black belts. From the most demure "girl next door" Paige Oswald (who was sent a letter from Florida Congressman Greg Steube this week congratulating her personally), to Grand Master Bill Frost playing Detective Brett Charles. To add more bang for your buck, there is beautiful Angelica Gabor, along with rugged Keith Green, Pierre Perea and John D'Angelo all 3rd degree black belts.

And if that were not enough add Stuntman/Actor Raw Leiba to the mix. Raw, already signed to play in Marvel's upcoming Black Panther movie, brings a background full of action movies to Force©. Some of his recent movie and television appearances include Conan the Barbarian, The Heat (Sandra Bullock and Melissa McCarthy), Dead Man Down (Collin Ferrell), Game of Thrones, Falling Skies (Steven Spielberg), The Wire, and Person of Interest just to name a few.

The action and violent nature of FORCE© will be greatly helped by a cast that is skilled and disciplined in martial arts and stunts. Force© is the story of a mob war caused by the assassination of crime boss Tony Cellini. The resulting mix of revenge, treachery, ambushes, fire fights, explosions and close quarter combat will be super exciting to watch and hard to miss.

**STAY TUNED FOR THE MOST ATTRACTIVE AND DEADLY CAST IN ENTERTAINMENT HISTORY!!!**
