

AVSEC-CENTER.org Announces the Launch of Aviation Industry Discussion Forums

AVSEC-CENTER.org invites aviation security professionals to participate in engaging discussions moderated by industry experts.

PORT SAINT LUCIE, FLORIDA, USA, July 18, 2014 /EINPresswire.com/ -- Avsec-Center.org, the only social media platform specifically for aviation security professionals, is pleased to announce the launch of its new online forums.

Through the creation of these collaborative forums, Avsec-Center.org community members can join engaging and disciplined discussions "moderated" by industry experts, share information and ideas with their peers, and find news and events specific to their industry-interests.

Forums include: Airport Operations; Cargo & Dangerous Goods; Emergency Response; Identifying Fraudulent Documents; Management; Security Checkpoint Screening, and Technology.

Avsec-Center.org also provides regular users access to an extensive library of professional resources including professional reference documents, checklists, worksheets, and reports. Industry regulatory, reporting documents and research tools are available in such areas as Aircraft Accident Investigation; Airport Emergency Planning; Safety Management Systems; Aviation Security; Explosives; AVSEC-Supervisor, and Infectious Diseases, in addition to others.

We invite you to join the discussions and leave us a comment at www.avsec-center.org.

About Avsec-Center.org

Avsec-Center.org connects the world's aviation security professionals. The social media site brings individuals and organizations world-class peer-to-peer learning communities and problem solving tools to make them better informed, more productive and successful.
