LONDON, UK, July 24, 2014 /EINPresswire.com/ --

[Independent Investor](http://independentinvestor.com) (independentinvestor.com), one of the web's leading authorities in Financial Spread Betting, CFD trading, Forex, and other investment products has just unveiled their redesigned mobile ready website along with a new and advanced broker comparison section.

Alex Johnson, a spokesman for IndependentInvestor.com, stated, "With the continual growth of mobile device usage, upgrading to a responsive website was a no brainer. Mobile traffic has been increasing across all industries by over 5% per month, and 45% of mobile users search the web at least once daily. Our responsive web design will now adjust to accommodate all the varying screen sizes, from the desktop to tablet to the smart phone."

"We are also pleased to launch our Advanced Broker Comparison section. Users will easily be able to compare margins, key spreads, trading systems, as well as current offers and incentives. If the customer is interested in [comparing a Spread Betting broker](#), he or she will be able to view all facts and important criteria and information for that derivative product, likewise [for CFD Companies](#), or Forex Firms. We are also working diligently to add and review new brokers on a weekly basis." "Our goal is to be the traders go to place for honest broker reviews. Users can also leave their feedback for each broker they have experience with, which provides potential investors with the information they need to make the choice which best suits their specific needs," Alex Johnson said.

The re-design and Advanced Broker Comparison section are just two of the enhancements made to IndependentInvestor.com. Users will be able to find more guides and new videos on Forex, Futures, CFDs, Spread Betting and Share Dealing. Other enhanced features include: Current News and Live Market Data feeds, hundreds of educational pages, and more.
