

# Splash & Relax Offer Stock Warning in Height of Summer Season

*Splash & Relax are the number one provider of above ground swimming pools in the UK with the widest range of pools for online selection.*

HORSHAM, WEST SUSSEX, UK, July 25, 2014

/EINPresswire.com/ -- Splash & Relax are the number one provider of above ground swimming pools in the UK with the widest range of pools for online selection. This summer the company has made various swimming pools available online including [inflatable pools](#), steel pools,

paddling pools, wooden pools and other pools. Since May this year, the UK has seen some fine weather spells which has led to a demand in swimming pools. This has led to Splash & Relax selling large amounts of swimming pools. Subsequently, the company must warn customers seeking a swimming pool for August and the last of the summer months to purchase with urgency.

Splash & Relax have seen a huge sell out of their Intex and Bestway inflatable pools during the early summer months of 2014. The majority of sizes have nearly completely sold out, with the remaining sizes spanning from small pools at 8ft x 30" and larger pools at 15ft x 48". Intex and Bestway are two of Splash & Relaxes biggest brands and are two of the industry's largest and most-reputable manufacturers of inflatable swimming pools. The two brands offer customers products to last not just this summer, but coming seasons, with value for money in every product.

Splash & Relax have made a new brand available to customers in July to help with the demand. The new brand comes from Summer Escapes with their range of quick set round inflatable swimming pools. Splash & Relax say these pools are ideal for small families and fantastic for kids' parties in the summer. They come made with triple strength heavy gauge PVC side walls and the liner is supported by an inflatable top ring. The inflatable pools have no sharp edges and have a convenient drain plug for easy draining. Available are various sizes starting from as small as 10ft x 30" rising to 15ft x 36" for customers to choose from.

Other swimming pools are still in stock and ready to order this summer from Splash & Relax. This pools include paddling pools, metal frame round pools, rectangular pools, splasher pools,

steel pools, wooden pools, zodiac original pools and in-ground swimming pools.

Splash & Relax are the UK's number one online provider of swimming pools. The company also provide a wide range of games tables, sledges, hot tubs and other home & leisure products.
