

Romance author seeks funding to publish novels and offers unique rewards

An up and coming romance author, Roselyn Jewell, has launched a Kickstarter campaign to get funding to publish the books she already has in progress.

ROSEVILLE, CA, USA, July 23, 2014 /EINPresswire.com/ -- Roselyn Jewell is an author who currently has three books on Amazon, and over 15 additional books in various stages of production. Her goal is to get all of the books edited, formatted, have cover art made, published, and into the hands of eager readers. To do this, she has launched a [Kickstarter](#) campaign. Backers will not only have the chance to contribute to this worthy project, but will also receive some unique, fantastic rewards in the process. Rewards include picking plotlines, naming characters, and even having your picture as the basis for the cover art! There are also rewards such as receiving an mp3 with a personal message from Roselyn, getting advanced copies of her books, and being the first readers ever to obtain a copy of the audiobook for *The Cuneiform Caper*, her debut novel.

If these things sound good to you, please check out our project at Kickstarter. Some rewards are very limited, so make sure to get them before someone else does!
