PERTH, AUSTRALIA, July 28, 2014 /EINPresswire.com/ --

[National Homes](#) has an impressive range of display homes in Perth that are just right for cost-conscious homebuyers. The builder has twenty-one different home designs on display with purchase prices starting at \$198,990. Every home from National Homes' Signature and Inspiration Series of home designs is on display and available for purchase.

"Purchasing a home is a big decision and it can be even more intimidating when that home still needs to be built. It can be hard to visualise what the home will actually look like on paper. We wanted to help homebuyers feel confident in their decisions by giving them the chance to see all of these homes in person before they commit to a design. It's a chance to kick the tyres, so to speak," said [Mark Anderson](#) of National Homes (<http://www.nationalhomes.com.au/>).

Building the entire line of homes in a series is an unusual move for builders. Normally, builders choose to put just a few of their most impressive homes on display to draw buyers in and showcase the builder's capabilities. National Homes, however, was so confident that their affordable luxury home designs would be a hit with buyers that they built [all twenty-one homes](#) and opened them up for display.

All homes in the Signature Series and the Inspiration Series are either 3- or 4-bedroom designs. The display homes in Perth are packed with the following luxury features and premium inclusions:

- Fully ducted reverse cycling air conditioning throughout
- 400X400 floor tiling to all living areas
- Carpeting to bedrooms
- Stone benchtops to Kitchen, Ensuite and Bathrooms
- 340L gas boosted solar hot water unit
- 2kw photovoltaic solar power generation system
- 31c Ceilings to the Kitchen, Dining and Living areas

- Semi-frameless pivot doors to ensuite and bathroom
- Flagston Stylish pavers to driveway, path, porch and alfresco
- Internal wall painting (Signature Series only)

"There is a wide variety of home designs to choose from in these two series and they all make great family homes. Each design maximises the use of space to provide privacy in all of the bedroom areas but still leave plenty of room for families to be together, whether that's in the home theatre, out on the alfresco or playing video games in the activity room. There's something for everyone in these home designs," said Anderson.

These luxury homes in Perth are open Monday and Wednesday between 2pm and 5pm, Saturdays from 1pm - 5pm and Sundays 12 noon - 5pm. National Homes does welcome private viewings. To arrange such a viewing contact the builder at 08 6555 7504.
