

Middle East drilling experts to meet in Abu Dhabi in September

Drilling experts are due to meet in Abu Dhabi to address drilling challenges around two major areas – improving drilling operations and managing drilling waste.

ABU DHABI, UNITED ARAB EMIRATES, July 31, 2014 /EINPresswire.com/ -- Drilling experts are due to meet in Abu Dhabi in September to address drilling challenges around two major areas – improving drilling operations and managing drilling waste.

The Drill Tech Summit will focus on the latest technologies and innovations to optimise drilling operations, improve production and reduce costs.
