

# OFweek Integrates its B2B Services

*Targeting High-Tech Industrial Markets*

SHENZHEN, GUANGDONG, CHINA, August 1, 2014 /EINPresswire.com/ -- There comes a strong competitor for the global trade B2B platforms. Recently, China high-tech industrial web portal OFweek has integrated its B2B services, transferred all its CPbay (China Products Bay) B2B resources to OFweek B2B

platform en.ofweek.com, including its members, products and inquiries. This action aims to take advantage of the millions of user resources from both OFweek and CPbay, and target global high-tech industrial markets. At the meantime, CPbay will focus on product search engine services.

“

China high-tech industrial web portal OFweek has integrated its B2B services, transferred all its CPbay B2B resources to OFweek B2B platform en.ofweek.com, including members, products and inquiries.

*OFweek*

After reconstruction, products in OFweek B2B platform will cover these fields: LED & Lighting, Automation, Consumer Electronics, Optoelectronics & Displays, Electrical & Power Generation, Instruments & Meters, Computer Products, Manufacturing & Processing Machinery, Industrial Equipments, Electronic Components, Auto Parts & Accessories, Tools & Hardware, Laser, Medical & Health Equipments, Energy & Metallurgy, Mineral, Security & Protection and Telecom Products. All buyers can register for free and send inquiries to suppliers. There are more than one million high-tech products to choose from.

This reconstruction integrates the advantageous resources of the two platforms, and it will absolutely be a good news for the high-tech industrial purchasers and suppliers. According to statistics, one month after this reconstruction, inquiries of en.ofweek.com have increased more than 300% and registered members increased rapidly.

## About OFweek B2B Platform
