

Giact Systems Inc Dallas Helps Provide Quality Hospice for Many

Giact Systems Inc Dallas donates to help build new hospice facility in the Dallas area. The company adds to long list of community involvement.

DALLAS, TX, USA, August 2, 2014 /EINPresswire.com/ -- [Giact Systems Inc Dallas](#) recently announced that they will be making a charitable donation towards a new \$48.5 million hospice facility being built in North Dallas. As sponsors of this new establishment, Giact Systems Inc Dallas will provide care to 36 patients. By partnering with T. Boone Pickens along with several other important figures from the Dallas area, Giact Systems Inc Dallas is honored to be able to lend their help to this new project.

Giact Systems Inc Dallas will be able to add this donation onto an already long list of charitable donations that have helped better the Dallas community on many levels. Giact Systems Inc Dallas has been an important sponsor for NWC over the past few years. With the donations from Giact Systems Inc Dallas, NWC has provided hundreds of children with the opportunity to attend summer camp. Giact Systems Inc Dallas also helped fund a team from NWC in May 2014 who traveled to the Philippines to contribute to the hurricane relief effort.

Giact Systems Inc Dallas has also helped NWC implement a successful mentoring program for young men and women who need help with the college process. Through the help of Giact Systems Inc Dallas, NWC is able to help prepare young men and women to succeed not only in college, but in future careers. Giact Systems Inc Dallas has played a large role in helping NWC obtain the funds to develop and run this program.

Another non-profit that lists Giact Systems Inc Dallas as one of their sponsors is the Hope House. Since 2012, Giact Systems Inc Dallas has donated money to help this organization open a house for women who are working towards recovery from drug and alcohol addiction. Giact Systems Inc Dallas also funds programs that train women with the necessary skills to be marketable candidates when they re-enter the job market.

The list continues with Unbreakme. Giact Systems Inc Dallas helps this group work with young women who have suffered from domestic violence. Giact Systems Inc Dallas was recently honored for their work with the charitable organization at the Radiant Girls Luncheon.

In addition sponsoring many important organizations around town, many employees at Giact

Systems Inc Dallas work with volunteer initiatives during their personal time. They help represent the core values of Giact Systems Inc Dallas: a commitment to excellence and promoting integrity. From tutoring at underprivileged children, helping with toy drives, and even instructing coastal kayaking classes, Giact Systems Inc Dallas says they are proud to have employees who care about giving back to the community. "We are so impressed with our staff," says cofounder Merlin Bise, "because they not only go above and beyond for our customers, but they also do the same thing in their everyday lives."

Giact Systems Inc Dallas works to maintain an active presence throughout the Dallas area. In addition to their charitable involvement, Giact Systems Inc Dallas maintains quality risk management services for its customers.
