

Inventvillage.com announces the marketing launch of the HOT TUB SWIVEL SEAT

The HOT TUB SWIVEL SEAT is in Patent Pending status within the United States Patent and Trademark Office.

NEW YORK, NY, UNITED STATES, August 7, 2014 /EINPresswire.com/ -- The present invention relates generally to a seating apparatus to facilitate the mobility of individuals of limited physical ability. More particularly, the invention relates to a hot tub swivel seat for facilitating the entry and exit of a physically limited individual into and out of elevated water enclosure, such as an above-ground hot tub.

Those who are physically challenged typically require some form of assistance from others or from various assistive devices in accomplishing daily tasks. Particularly, for an individual whose lower body strength may be compromised due to a physical disability or other affliction, the action of lifting the legs to step over an object can be difficult. This action is required when getting in or out of a bath tub an elevated water enclosure, such as an above-ground hot tub. The present invention aims to facilitate the process of getting or out of an elevated water enclosure. The elderly, veterans and those in the armed forces who may be handicapped or injured, and other persons who may be handicapped or injured may benefit from the present invention because as they will not have to rely on the comprised strength of their lower bodies to climb over the edges of an elevated water enclosure.

The inventor of the HOT TUB SWIVEL SEAT is seeking a third party licensee to manufacture, market and distribute the product for him under a royalty agreement. Potential licensees in the home medical industry industry are currently being targeted as candidates to eventually commercialize the Hot Tub Swivel Seat on a worldwide basis.

According to a comprehensive university study brokered by World Patent Marketing, there is a strong likelihood of this product being successful in the marketplace.

Potential licensees interested in obtaining more information about the HOT TUB SWIVEL SEAT and discussing licensing opportunities with respect to the product can contact the Licensing Department of WorldPatentMarketing.com at licensing@worldpatentmarketing.com or 646-412-5985.
