Africa Job Source: Connecting you with the best jobs and trainings.

We offer a unique opportunity for Job Seekers and Candidates on the African continent and the African diaspora to access the most competitive jobs and the most refined and diverse training. AfricaJobSource.com is the leading resource for everything related to the world of employment and vocational training. On our site you will find detailed descriptions of job opportunities and training offered by many companies and organizations around the world, as well as the professional profile of thousands of applicants.

A true partnership: [Job Seekers, Employers and Trainers;](#)

According to a recent study on the continent, many young people do not have all the resources needed to be competitive on a job market that is becoming increasingly global.

AfricaJobSource.com established a unique partnership between Job Seekers, Employers and Training Institutions. Our platform allows an unparalleled effective interaction and synergy among the three main components of the world of employment: Employers, Trainers and Job Seekers.

[Unlimited possibilities](#) for Schools and Training Institutions;

AfricaJobSource.com allows training institutions to separately publish each training program offer with all the details and information needed, all accompanied by a video ad to better present the programs to candidates. Our system identifies candidates and employers training needs and allows to only communicating the training they need.

An integrated system for a greater visibility;

AfricaJobSource.com offers employers and training institutions to register their profile on the site and display their logo and a video ad. Thanks to our integrated interface and account management, Employers, Institutions and Candidates have a personalized communication system with easy to use features. Also, our integration with Facebook automatically publishes all offers available on our website on our Facebook page, allowing candidates to respond directly to employment and training opportunities from Facebook.

Advertise with us on AfricaJobSource.com;

Training institutions and employers have the opportunity to purchase spaces on our site to display their banners as long as they wish and this allows them to calibrate and filter their message and communicate it to the real target. Even better, they can display their logo on our homepage, which logo is linked to all their offers on the site and accessible with one click.

Best value for your money;

Our services are free for Job Seekers, but, employers and training institutions have several options and services to meet their recruitment needs in the short, medium and long term to publish their offers and advertising on our site.

We are an extension of our clients' HR department;

At Africa Job Source, we do not consider ourselves just as being in the business of online recruitment and consulting, but as an extension of our HR clients. We can help employers find a diverse group of qualified candidates to facilitate their hiring decisions and help schools and training institutions to find candidates who need additional training.
