

TechEyes Adds More Brand Names to Online Inventory

Distributor and e-tailer of innovative optics now carries more than 60 high-quality product brands.

WALNUT CREEK, CALIFORNIA, UNITED STATES, August 11, 2014 /EINPresswire.com/ -- An online distributor, retailer and wholesaler of binoculars, scopes and night vision optics has announced the addition of a dozen brands to its line of products. [TechEyes, LLC](#) now carries more top names, expanding its offerings to about 60 brands.

The new brands available online at [techeyes.com](#) are Swarovski, Leica, U.S. Optics, Hawke, MeOpta, N-Vision, Steiner, Zeiss, Vortex, Levenhuk, Schmidt & Bender and Barska. The equipment is primarily used by naturalists, hunters, military and law enforcement personnel, as well as for home security, recreation and sports competitions.

"Our customers frequently look for new optics and accessories to coordinate with or replace the [scopes and binoculars](#) that they already own," said Curtis Seaton, e-commerce manager at TechEyes.com. "Now we have a much larger selection in stock."

TechEyes made the change to improve the variety in choices and offer some of the newest technology available. The company already carries other popular names such as Nikon, Bushnell, Flir and ATN that consumers have come to know and rely on as quality products.

About TechEyes, LLC: TechEyes ([techeyes.com](#)) is a U.S.-based retailer, wholesaler and distributor of high-precision innovative optics. Established in 2012, the company strives to provide high-quality products at the lowest price with outstanding customer service. TechEyes has professional grade merchandise such as [thermal optics](#), night vision scopes and hunting binoculars for sale. TechEyes is a member of the National Shooting Sports Foundation and the National Rifle Association. The company is accredited by the Better Business Bureau, and high quality ratings by TrustPilot and Dun & Bradstreet.
