

NEAH GES Announces Binding Letter of Intent to Acquire Quemic Commercial Operations in Ghana and Mozambique

GES Africa business divisions currently include Power Generation and Infrastructure, Maritime, Aviation, Ground Logistics, and Emergency Medical Services.

JOHANNESBURG, GAUTENG, SOUTH

AFRICA, August 11, 2014 /EINPresswire.com/ -- [NEAH GES](#) ("GES") today announced that it has signed binding letters of intent to acquire a majority of the stock, shareholders and economic interest in [Quemic](#)'s Ghana and Mozambique business operations. Post-acquisition GES will be the controlling shareholder in Ghana and Mozambique incorporating the Quemic business units into a GES affiliate company, [GES Africa](#).

“

Seven out of ten fastest growing global economies are forecasted to be in Africa. Sub-Saharan Africa's particularly exciting GDP growth means that it has emerged as the dominant sub-region.

NEAH GES

GES is aggressively expanding its commercial business lines on the African Continent. Seven out of ten fastest growing global economies are forecasted to be in Africa. Sub-Saharan Africa's particularly exciting GDP growth means that it has emerged as the dominant sub-region.

GES Africa business divisions currently include Power Generation and Infrastructure, Maritime, Aviation, Ground Logistics, and Emergency Medical Services. The addition of the Quemic business units will substantially increase GES commercial services in Africa.

About NEAH GES
