

Greater Deerfield Beach Chamber of Commerce Honors Small Business Person of the Year

Todd Wolf, the CEO and founder of A&S Total Cleaning, was honored as the Greater Deerfield Beach Chamber of Commerce Small Business Person of the Year

CORAL GABLES, FL, USA, August 13, 2014

/EINPresswire.com/ -- In June 2014, Todd Wolf, the CEO and founder of [A&S Total Cleaning](#), was honored as the Greater Deerfield Beach Chamber of Commerce Small Business Person of the Year.

Mr. Wolf and his team of 400 service more than 10 million square feet of commercial and public property on a daily basis - focusing on health care facilities, schools, condominiums, and construction sites.

Mr. Wolf credits engaging the managed IT services of [SYMBITS](#) with helping him grow his company, "Prior to SYMBITS, we did not have a local presence to handle my IT problems quickly and successfully." SYMBITS is currently migrating his company's email to Office 365 to eliminate significant issues facing his team. "SYMBITS also provides remote back-up and remote help desk for us."

The A&S Total Cleaning team has expanded its geographic coverage to an area that is becoming challenging to manage. To overcome this, Mr. Wolf will be testing a [Mobile Insight](#) mobile application which allows him to access real time data on his field teams. With this application from Mobile Insight, one of The Retail Outsource Companies, he can verify regular field visits, keep track of his teams with geo-tracking, and enhance the ability to respond to onsite situations utilizing actual field photos and other real time data using android based devices.

About Us: The Retail Outsource Companies (TROC) specializes in building high performance

sales/support teams for retail and institutional projects. They also staff and successfully manage retail stores on behalf of their clients. TROC and its affiliates provide total sales operation solutions. The Retail Outsource Companies include Mobile Insight - real-time field reporting and business intelligence, The Consumer Insight - full-service customer experience analysis, and SYMBITS - managed IT services. Working in synergy, these four companies form a complete ecosystem: running, managing, and maximizing the productivity of retail business efforts.
