

Insight Pharma Reports Announces the Antibiotic Resistance Report

Antibiotic Renaissance: Technology and Market Advances in the War against Drug-resistant Bacteria

NEEDHAM, MA, USA, August 19, 2014 /EINPresswire.com/ -- [Insight Pharma Reports](http://www.insightpharmareports.com) announces Antibiotic Renaissance: Technology and Market Advances in the War against Drug-resistant Bacteria. This report covers evolutionary growth of antibiotic resistant bacteria with a focus in research aspects, commercial aspects, market aspects, and trends in antibiotic resistance.

Highlighted in this report are the following concepts:

- History, status, and progress of drug resistant bacteria
- Evolution of today's antibiotic resistant bacteria
- Diagnostic and therapeutic research programs directed at alleviating medical problems caused by antibiotic resistant bacteria
- Survey results exploiting commercial diagnostic and therapeutic programs and market-related aspects of antibiotic resistance
- Trends developing in the field
- Exclusive interviews with six individuals who are highly knowledgeable in the subject area
