

Haypi Adventure: Kingdom of Glory 1.1.0 Hits the App Store

Haypi Adventure: Kingdom of Glory 1.1.0 was released on Aug. 12th (Tuesday)

SHANGHAI, SHANGHAI, CHINA, August 15, 2014 /EINPresswire.com/ -- A new version of Haypi Adventure has hit the App Store! [Haypi Adventure: Kingdom of Glory](#) 1.1.0 was released on Aug. 12th (Tuesday). The mobile game is an MMO of the war strategic genre. When it was first released, it was included in the "Featured" part of the AppStore in over 20 countries/regions (at AppStore> Categories> Games> Simulation or Strategy> New). This was an amazing appreciation of Haypi's fervor to create exciting games for their numerous fans. Haypi is grateful for the love and support of the players.

The [developer](#) Haypi Co., Ltd has proved to be extremely productive, with new game releases and updates coming one after the other. In fact, an even further follow-up update of Haypi Adventure is on its way. Another patch Version, 1.1.1, has already been submitted to Apple for review. Haypi's team has done a great job in fine tuning and optimizing the gameplay. Now the application is even more fun!

Furthermore, a new beta client update of

Haypi Kingdom: The Return of the King (another game of Haypi's), will soon be available for the players. Haypi's team has been troubleshooting and finetuning the application, based on the beta [feedback](#). After a long period of continuous hard work, Haypi has reached the last stage of the development of the app.

Lots of new features and activities have been added in the current version 1.1.0 of Haypi Adventure: Kingdom of Glory. Some of the features include Pirate Raiders, Alliance Help, and Free Speed Up. The major new activities are "Buy Gold, Get Heroes", "Wine Feast" and "Double Double".

Haypi Adventure: Kingdom of Glory

Haypi Adventure: Kingdom of Glory

Concerning the new content, Pirate Raiders is a newly added feature in Haypi Adventure. Thanks to it, all alliance members can now stick together, raiding pirates and winning lots of silver and rum. It's about time to show your talent to the world! Alliance Help is one of the other features that have been newly introduced to Haypi Adventure. Now alliance members can help each other speed up the progress of construction and technology research by a simple tap. Free Speed Up has also been introduced. Now players can speed up the progress of construction and technology research for free when the remaining cooldown is less than 5

Haypi Adventure: Kingdom of Glory

minutes. VIP players can do free speed-ups earlier than normal players. The higher the VIP level, the earlier speed ups can be done for free. General Gameplay optimizations have been made to Haypi Adventure, making it even more amusing.

In addition to the new features, Haypi also continues to add more levels to the challenges. The new content includes ten new levels, which have been added to Panic Pirates and Thrive Territory respectively. Furthermore, other improvements have been made to the game. Adjustments have been made to Alliance system. Now Lords Lv. 7+ can join an alliance. However, to be able to donate to the alliance, Lords should be Lv.15+. Besides, alliance leaders, vice leaders and officers can now set level requirement for applicants. As for Ocean Tourney, players can now recognize their allies. Since now it is obvious whether the others are friends or foes, players won't accidentally attack allies. Adjustments have also been made to start-up tasks. This way, newbie Lords can explore the gameplay more smoothly. Some heroes' avatar has been beautified. Divination animation has been optimized too. General optimizations have been made to the game server, making the game experience much smoother.

The new version of Haypi Adventure also brings new fun activities. Now players can receive extra "gifts" to celebrate the updated content. During the first week after the release of the new patch version (from 10:00 am GMT, Aug 12, 2014 to 08:00 am GMT, Aug 18, 2014), a number of activities have been available for the players. The major new activities are "Buy Gold, Get Heroes", "Wine Feast" and "Double Double".

With the availability of the "Buy Gold, Get Heroes" activity, players can get some never-seen-before exclusive heroes. Different heroes can join the player's fleet according to the number of "1140 Gold" packages that the player has purchased. For one "1140 Gold" package bought during the period of the activity, the player will get Taylor Adams – a powerful hero of considerable rarity (purple). With the purchase of three "1140 Gold" packages, the player can get two heroes - both Taylor Adams and Anna Morris. If a player buys ten "1140 Gold" packages during the activity, he or she will get not only Taylor Adams and Anna Morris x1, but also an extremely rare (mythic) mighty hero – Derek. In addition to those three heroes, another mythic hero, Jessica, can join the player's team with the big purchase of thirty "1140 Gold" packages during the activity. The "Buy Gold, Get Heroes" activity has become a fun challenge for Haypi's fans.

Another activity, "Wine Feast" is also available in Haypi Adventure: Kingdom of Glory. Now the "Buy

10" (180 gold) option of "Buy Wine" will automatically provide Expert Mentors and skill scrolls. Activity Rewards will be delivered within 72 hours after the series of activities finish. Every time players choose the "Buy 10" option, they will get one orange Expert Mentor and 5 skill scrolls. In total, up to 100 Expert Mentors and 500 skill scrolls can be received during the activity period.

The "Double Double" activity will double certain rewards for the players, including Alliance Gifts, the Silver count of the bonus resources (received from plundering others), Gold Rewards for Daily Task, and Gold and Skill scrolls in Login Reward.

Haypi Co., Ltd. is a highly-productive game developer, and the Haypi Community can be sure that new games and updates will be launched constantly. Haypi's games are exciting, intriguing and fun, and completely free for download from iTunes.
