

Water Club's South Tower Residences Now Open For Pre-Construction Sales in North Palm Beach

Debbie Elbaum of GoCondoz-GoHomz Realty says Water Club's South Tower Residences in North Palm Beach are now open for pre-construction sales.

NORTH PALM BEACH, FL, USA, August 21, 2014 /EINPresswire.com/ -- NORTH PALM BEACH, Fla. - Real estate agent Debbie Elbaum, a Realtor in the luxury North Palm Beach real estate market, says that Water Club luxury residences by Kolter Urban LLC are now open for pre-construction sales.

Kolter's new Water Club is North Palm Beach's first major development, and is close to world-class shopping, dining, boating and golf courses.

Elbaum, owner of GoCondoz-GoHomz Realty in West Palm Beach, says that this newest luxury-class high-rise property will be an exciting addition to the North Palm Beach community.

"[Water Club residences](#) sit on a highly desirable 5 acre lot with incredible views and access to the Intracoastal," she says.

According to Elbaum, the design for the latest [North Palm Beach offering](#) of Tower and Penthouse residences is exceeding everyone's expectations. She says the condos were created by Kolter's team of world-class site planners and architects to achieve breathtaking views and maintenance-free living.

"Kolter's architects made sure that every residence takes full advantage of the breathtaking views of the water," Elbaum says.

"There are 19 stories of pure joy in these Water Club condos, but I hate to even call them condos," she says. "That word just doesn't do them justice. These are luxury residences with [floor plans](#), views and living spaces that truly make the heart skip a beat."

She says the Penthouse Residences in particular take "breathtaking" to a whole new height with generous living spaces and exhilarating panoramic views of both the Intracoastal and the Atlantic Ocean.

Starting at \$1,999,000, Elbaum says that with only a limited number available, the exclusive Penthouse Residences are likely to go fast.

"Pre-construction pricing for all the different Water Club residences ranges from \$699,000 for about 1728 s.f. to \$2,149,000 for 2499 s.f. of living space."
