Brian K. Balser Co. LPA in Elyria, OH, was recently retained as the attorney for the family of Logan Stiner, a victim of caffeine powder overdose.

ELYRIA, OHIO, USA, August 26, 2014 /EINPresswire.com/ -- Attorney Brian Balser of [Brian K. Balser Co. LPA](http://balserslaw.com) [<http://balserslaw.com>], located in Elyria, Ohio, was recently retained as the attorney for the family of [Logan Stiner](#), a victim of [caffeine powder](#) overdose. Mr. Balser has experience with pharmaceutical and wrongful death litigation.

Logan was found unresponsive in his home in LaGrange, Ohio on May 27, 2014. The county coroner initially determined his death a result of natural causes. Upon further testing he determined that Logan had 70 micrograms of caffeine per millimeter of blood in his system, 23 times more than an average coffee drinker. His death stemmed from the use of caffeine powder, an unregulated dietary supplement.

The U.S. Food and Drug Administration (FDA) has launched an investigation on the caffeine powder and is considering regulatory action.

Mr. Balser is investigating the circumstances around Logan Stiner's death, and will take appropriate legal action against those companies that marketed, manufactured or distributed the caffeine powder responsible for his death. He also hopes this case will help educate the public on the danger of caffeine powder, and ultimately encourage the FDA to continue to investigate and subsequently ban the substance.

"Logan [Stiner]'s death is a tragedy that, with proper warnings and safety regulations, could have easily been prevented," Mr. Balser said. "My condolences are with the family, as are the entire nation's. I am humbled to have the opportunity to investigate such a case and help prevent deaths related to caffeine powder in the future."

The Stiner Family has identified Mr. Balser as the point of contact for media inquiries into the case. Please visit his website at <http://balserslaw.com> for contact information. He is also accessible via phone at (440) 934-0044, or by email at brian@balserslaw.com.
