

IT Governance congratulates client Charityshare on its ISO27001:2013 certification

IT Governance is delighted to congratulate Charityshare, a client of the firm's consultancy team, for being awarded certification to ISO/IEC 27001:2013

ELY, CAMBRIDGESHIRE, UK, August 28, 2014 /EINPresswire.com/ -- IT Governance, the global leader in [ISO27001](#) expertise, is delighted to congratulate Charityshare, a client of the firm's consultancy team, for being awarded certification to ISO/IEC 27001:2013

Alan Calder, founder and executive chairman of IT Governance, says, "Charityshare is an example of how a not-for-profit IT service provider has taken information security very seriously, and used international best practice to ensure its own and its customers' information is secure.

"I am very pleased with Charityshare's certification success and the role our team has played in helping our client to achieve it."

ISO27001 is the international standard describing best practice for an information security management system (ISMS). It provides organisations with a single, internationally-accepted standard relevant to both small organisations and those with an international scope of operations. Certification to the standard globally is growing steadily – by 13% according to latest ISO Survey of Management Systems Standard Certifications - 2012.

Alan Calder says, "If understood and implemented correctly, ISO27001 can help to rationalise security expenditure and reduce the impact of cyber crime, while giving a business a competitive edge."

IT Governance has recently become the first company in the world to launch 'all-in' [ISO27001 packaged solutions](#) that are accessible online and can be deployed by any company, anywhere in the world, that wishes to implement the ISO27001 standard and prepare for certification.

Each solution is a combination of products and services in a fixed-price, fit-for-use package sure to meet any organisation's preferences for tackling ISO27001 compliance projects. Each of the four ISO27001 packaged solutions is available at a transparent price that enables every organisation to know exactly what their chosen journey to ISO27001 certification will cost them.

The all-in, ISO27001 'Do-it-yourself', 'Get a little help', 'Get a lot of help' and 'We'll do it for you' packages can be ordered online at www.itgovernance.co.uk/iso27001-solutions.aspx.
