

Gubernatorial Candidate Fisher Repeats, "Illegal Immigration is Illegal!"

AUBURN, MA, USA, August 28, 2014 /EINPresswire.com/ -- Mark Fisher, [Republican Candidate for Governor](#) of MA, has said consistently, from day one of his campaign, that [Illegal Immigration](#) is Illegal!

President Obama's recently proposed Amnesty Plan would further overburden our cities and towns causing them to become more dysfunctional. Enough is enough!

Fisher's proposed solution of [ending State benefits to Illegals](#) and causing their self-deportation to another Democrat sanctuary state has recently been enacted by Maine's Governor LePage. It is a common-sense solution that works. Illegal Immigrants come to MA because we reward them with more benefits than all of the other New England States combined! (FAIRUS.org). At a July 26 rally against Deval Patrick's decision to consider housing additional Illegal Immigrants in MA, Fisher told an impassioned crowd that MA is compassionate, and they we now have over 220,000 Illegal Immigrants in MA. The current crisis is not a compassion problem; it is a capacity problem. Enough is enough.

Fisher's GOP opponent Charlie Baker agreed with Deval's decision to have additional Illegals housed in MA. Baker has also given tens of thousands of dollars to the MA Immigrant and Refugee Advocacy Coalition (MIRA) which supports driver's licenses and in-state tuition for Illegals.

(9/11/09, Boston Herald). Most recently Baker called Jeb Bush his political role model. Bush has equated Illegal Immigration with an "act of love".

Fisher's proposed solution is being enacted by Governor LePage who like Fisher is unafraid to take a stand and take action. All of Fisher's stances can be found on at his campaign website, www.markfisher2014.com.
