RICHMOND, BRITISH COLUMBIA, CANADA, September 3, 2014 /EINPresswire.com/ -- Doc's Consulting Limited, an investor relations (<http://docsconsultingltd.com/about/>) firm located in Richmond, British Columbia, is pleased to announce its recent affiliation with Austin, Texas based American [Wireless](#) & Entertainment, Inc., (AWE) a new multi-media, multi-platform company formed to bring together [radio](#), wireless and the [Internet](#) in a variety of creative and lucrative ways.

AWE was formed by a group of experienced media operators who have invested their own funds and assets into the firm. The company's strategy is to acquire up to 3,000 revenue producing and operating radio stations that can be used for WiFi build outs and serve as a platform for Internet radio and social network services. AWE, the company will provide multi-media, multi-platform operations on a multi-national basis. This will include unique WISP (Wireless Internet Service Provider) services in Southeastern Asia, North and South America, Australia, Africa and Europe.

Doc's Consulting Ltd. will be providing investor relations and public relations services and is currently assisting the company in locating bridge funding it needs for going public (OTCBB) as well as cash flowing media businesses. In its move from private to public status, the company is seeking funding by way of convertible debt to equity instruments. A portion of these funds will be used to acquire the first batch of radio and television stations, a wireless company and also the main Internet services firm AWE needs to build out all of its Internet platforms.
