ORLANDO, FL, USA, September 3, 2014

/EINPresswire.com/ -- Flippers Pizzeria, known throughout the Sunshine State for creating some of the best pizza in Florida, has announced a new special beginning in September.

"Our customers will receive a free order of our famous breadsticks at participating locations when they place an online order valued at \$15 or more," said Ben Richardson, VP of Operations at Flippers Pizzeria. "After entering the promotion code 'BREADSTICKS' when placing their order through our website or iPhone app, a hot, fresh batch of breadsticks will be included-on the house."

According to Richardson, the special is available throughout the entire month, starting Labor Day, September 1, 2014, and ending September 30, 2014.

"Flippers Pizzeria's breadsticks have been one of the most popular appetizer items on the [pizzeria menu](#) since founders Scott Kousaie and Todd Dennis first introduced them to customers well over a decade ago," said Richardson.

Kelly Pfister, Marketing Director at Flippers Pizzeria, describes why: "Our breadsticks are hand-cut and baked fresh for each customer. Our hand-crafted dough is made daily from scratch in-store with unbleached, unbromated flour and extra virgin olive oil. When combined with our signature brick oven cooking style, the result is a fluffy, crisp, and flavorful breadstick."

And that's just the beginning. When pulled from our 600-degree brick oven, Flippers Pizzeria's artisans brush the piping hot breadsticks with a blend of garlic butter, fresh-cut spices, and Romano cheese. "You have to taste them for yourself to understand the full spectrum of flavors and textures," said Pfister. "Our customers love our breadsticks, and we're happy to treat them to a free order this month."

Since its inception, Flippers Pizzeria has focused on fresh, honest ingredients, as well as customer service second to none. This commitment is recognized year after year, as the [Florida pizza](#) restaurant is regularly ranked as one of the [best pizza places](#) in the Sunshine State. Franchise opportunities are available now to qualified investors.
