

# Orthopaedic & Spine Center Welcomes New Nurse Practitioner

*Kimberley D. Maigi, FNP-C, to work in the newly expanded Pain Management Center in Newport News, Virginia.*

NEWPORT NEWS, VA, USA, September 3, 2014 /EINPresswire.com/ -- The physicians of [Orthopaedic & Spine Center](#), located at 250 Nat Turner Boulevard in Newport News, have announced that Kimberley D. Maigi, FNP-C, has joined the practice as its newest healthcare provider. Maigi will be working in the OSC Pain Management Center, under the supervision of Raj N. Sureja, MD, OSC's senior Interventional Pain Management specialist.

Maigi comes to OSC by way of Springfield, Missouri, where she attended Cox College of Nursing (RN) and Missouri State University, where she was awarded a Master's of Science in Nursing (MSN). Maigi is a Certified Emergency Nurse and holds certification in Advanced Cardiovascular Life Support.

"I am thrilled to join the Interventional Pain Management practice at Orthopaedic & Spine Center. It is deeply gratifying to work with medical professionals, like Dr. Sureja, who are dedicated to improving the quality of life for their patients," said Maigi. "I have joined a dedicated team of medical professionals who really bring their passion for the patients they treat into work every day. OSC's new Pain Management Center has been completed, and it is a joy to work in such a technologically-advanced setting where I can truly help patients feel better with the care I provide."

OSC began providing Interventional [Pain Management services](#) in 2008, when Dr. Sureja joined the practice. There will be a grand opening of the Pain Management Center on Friday, September 12, 2014, when Maigi will be formally introduced to the Hampton Roads community.
