

Doors4UK Introduce Made to Measure Doors with Edge Design and TECTUS Concealed Hinges

Doors4UK, representative of Grauthoff Door Group from Germany, launches the new Edge Doors Design with TECTUS Concealed Hinges to create stunning interiors.

LONDON, UK, September 12, 2014 /EINPresswire.com/ -- Leading supplier of high quality [made to measure doors](#) Doors4UK, representative of Grauthoff Door Group from Germany, launches in United Kingdom the new Edge Doors Design with TECTUS Concealed Hinges to create stunning interiors. The company also manufacture made to measure [glass doors](#) and [sliding doors](#).

The combination of edge design with Grauthoff door surface make the doors appealing to wide range of customers. With the edge design the customer can created a design-connection from the floor to the doors. The technology is newly developed allowing the factory to produce white doors with a combination of wooden elements as maple, oak, black walnut real wood veneer as well as the rare woods as zebrano or apple.

The made to measure doors sets with TECTUS concealed hinges makes possible to achieve an uninterrupted flush-faced surface on the hinge side of the door creating a visual, harmonic, overall interior design impression. The door using the TECTUS concealed hinges bring a noble simplicity to the living space. The high performance and heavy-duty concealed hinges are three dimensional in adjustable fitted by the factory in Germany to achieve the perfect finish and quality.

The combination between the edge design and TECTUS concealed hinges creates the perfect wooden doors sets which can complement perfectly any interior design. Adding a new feature as magnetic lock to the door the factory will make the perfect uninterrupted design on the architrave and frame/lining.

As leading manufacture of made to measure doors Grauthoff Door Group with is know-how and

Made to Measure Doors with Design Edge and TECTUS Concealed Hinges

the design services in house provides much more than just quality products: The sandwich edge and TECTUS concealed hinges are a perfect example and are representative of the many small details, whether visible or invisible, which always makes a door from the house Grauthoff special.

Doors4UK represent Grauthoff interest in UK which manufacture made to measure wooden doors with laminate surface and real wood veneer finishes in both option as sliding or with hinges. The range is completed with made to measure glass doors giving the customer the choice between wood and glass but not compromising on quality. Customers include a broad spectrum of interior designer and architects, self-home builders, contractors as well as private clients.
