

# Breckenridge Grand Vacations (BGV) Announces New Resort

*Private Offering event scheduled this  
December*

BRECKENRIDGE, CO, USA, September 16, 2014 /EINPresswire.com/ -- [Breckenridge Grand Vacations](#) (BGV) has announced the name of their fourth resort in Breckenridge, Colorado. It will be called [The Grand Colorado on Peak 8](#). Private offering sales will commence December 5, 2014 with exclusive "Founders' Club" benefits available only to people who purchase that day. Existing BGV owners from Gold Point Resort, Grand Timber Lodge and the Grand Lodge on Peak 7 will have first priority to purchase at the exceptional property.

The new 75-residence property is

located in the exact location of the ski area's initial lodge built at in 1961 and is part of the transformation of this iconic epicenter of Breckenridge Ski Resort. Over the decades Breckenridge has become a world-renowned ski destination with over 3,800 skiable acres, terrain for all levels and a Victorian-styled town that features incredible dining, arts & culture and shopping just a short gondola ride away.

Construction is fully underway at Breckenridge Grand Vacations' high-end, luxury timeshare situated at the base of Breckenridge's world-class mountain on Peak 8, directly adjacent to multiple express chair lifts and the "Breck Connect" gondola that connects the Town to Peaks 7 and 8. With details inspired by nature the Grand Colorado on Peak 8 marks a new era of slope side resort ownership exemplifying approachable luxury and refined adventure.

According to Rob Millisor, one of BGV's developers, "The Grand Colorado will be the pinnacle resort within our resort family. With its mountain modern feel and luxurious residences, it will become the most exclusive fractional/timeshare resort to date in the Rockies."

Construction Manager for BGV Mike Hayes says, "This is an ambitious project. It has been designed with 'modern mountain sophistication' in mind and integrated into the hillside with public and private terraced amenity levels. Our goal is to get it topped off by mid-summer of 2015 and open for Phase 1 occupancy by summer of 2016. The project has presented some major subterranean challenges getting out of the ground however the construction team is gaining solid momentum as the precast concrete is being set and the building's structure is starting to take shape. The spectacular amenities planned include an indoor and outdoor aquatics area, outdoor fireplaces and grills, family fun center, multiple private theaters, a full-service spa (open to the public) and also a public café. The resort is dedicating over 28,000 sq. to amenity space and an additional 4,500 to commercial space to enhance resort operations.

Currently, BGV's 114-residence Grand Lodge on Peak 7 is scheduled for sell out at the end of 2014. Both Grand Timber Lodge and Grand Lodge on Peak 7 have won multiple American Resort Development Association (ARDA) awards including the ACE Project of Excellence for both resorts. In 2014 Gold Point Resort won the top award for refurbishment and Grand Lodge was named a finalist in Resort Architecture. Approximately 500 BGV employees serve 20,000 owners at their existing properties.
