

# Northstar Chrysler Is Now Offering Two Grand Voyager Models In Kippa Ring

*The seven-person people mover is available at Northstar Chrysler Jeep Dodge in two models, Limited and LX. Visit the dealership to book a test drive.*

REDCLIFFE, QLD, AUSTRALIA, September 22, 2014 /EINPresswire.com/ -- Families who need a people mover that can deliver power, luxury, and space need look no further than Northstar Chrysler in Kippa Ring. The dealership has a full inventory of Chrysler Grand Voyagers that are sure to please. Test drives are being booked now at [www.northstarchrysler.com.au](http://www.northstarchrysler.com.au).

The [Chrysler Grand Voyager](#) is available in two different models: the LX and the more luxurious Limited. Full seating for seven ensures plenty of room for the whole family with fold-down seats adding to the auto's versatility.

"The Grand Voyager is the perfect family auto. It has space for the entire family, but the versatility to haul cargo too. It's sleek and stylish enough to take out for a night on the town but it has several touches that make it kid-friendly as well," explained [Bob Aldons](#) of [Northstar Chrysler Jeep Dodge](#) in Redcliffe (<http://www.northstarchrysler.com.au>).

Some of those kid-friendly features are the backseat drop-down DVD screens, integrated audio/visual jacks and a 9-speaker sound system, any one of which will keep kids occupied during a road trip.

Parents, however, are even more impressed by the popular people mover's safety and performance features. Passive and active safety features include: reinforced protection, active head restraints, antilock brakes, speed traction control, multi-stage airbags, and parking assistance. The Uconnect Media Centre allows drivers to keep both hands firmly on the wheel while they make calls, control music, and plan routes with voice commands.

The Grand Voyager is powered by a 6-speed automatic, 8.4L/100 km combined cycle Turbo Diesel engine. The people mover is powerful enough to deliver 360 N.m torque, and 120kW at 3,800 RPM. Load-leveling suspension ensures a smooth drive while luxurious touches inside the vehicle make the ride comfortable. Leather-trimmed seating, ambient LED lighting, heated seats, and a sunroof all combine to make this auto a pleasure to drive.

"Buyers who want an auto that can do it all will love the Grand Voyager. It can haul people and cargo, and tow, all at the same time. Best of all, drivers and passengers will be comfortable while doing it. We have several Grand Voyagers in stock that are sure to impress. I welcome all drivers to come in for a test-drive and see for themselves what this auto can do," said Aldons.

Drivers can book a test drive of a Chrysler Grand Voyager in Kippa Ring at Northstar Chrysler Jeep Dodge. The dealership is located at 320 Anzac, Avenue, Kippa-Ring 4021, Redcliffe, QLD.
