

Test-Drive A 5-Star Safety Rated New Jeep Cherokee At Redcliffe Dealer Northstar Chrysler Jeep Dodge

The 2014 Cherokee is among the highest rated vehicles in its class for safety. Find the Jeep in Kippa Ring at Brisbane dealer, Northstar Chrysler Jeep Dodge.

REDCLIFFE, QLD, AUSTRALIA, September 22, 2014 /EINPresswire.com/ -- The [2014 Jeep Cherokee](#) has earned a 5-Star safety rating from ANCAP (Australasian New Car Assessment Program). The Jeep Cherokee has a number of passive and active safety features that work together to make every driving adventure safe. Visit [Northstar Chrysler Jeep Dodge](#) to test drive a Jeep in Kippa Ring. A Cherokee 2014 is available in four different models: Sport, Longitude, Limited, and Trailhawk.

"The ANCAP Rating is a great starting point for choosing an auto. It indicates the automobile has been put through rigorous safety and accident testing and fared well. This is especially important in SUVs and 4x4s, which tend to be used off-road, to tow, or in slick conditions more than sedans. The ratings help put buyers' minds at ease during the selection process," said [Bob Aldons](#) of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.northstarchrysler.com.au>).

ANCAP is an independent agency that tests vehicles for the level of protection they provide during frontal and side impacts. Vehicles may earn anywhere from 1 to 5 stars, with 5 stars indicating the safest vehicles. Safety ratings help consumers gauge a vehicle's ability to protect occupants during an auto accident. A 5-Star rating is the highest rating ANCAP assigns and indicates a high level of protection and survivability for both drivers and passengers.

There are over 70 safety features on the 2014 Cherokee including:

- ParkView Rear Back-Up camera
- Front & Rear Park Assist on the Longitude & Limited models
- Blind Spot Monitoring
- Lane Sense Lane Departure Warning

- Forward Collision Warning System
- 7 Airbags, side curtain and side thorax airbags are standard on all models
- SelecTerrain Traction Control System

"The Jeep Cherokee is a popular seller. It's remained a buyer favourite because it has something for everyone: safety, power, versatility, and it's affordable. We have 4x2s and 4x4s available right now with some models that start at just \$35K driveaway," said Aldons.

Interested buyers can see the Jeep in Kippa Ring, Brisbane at Northstar Chrysler Jeep Dodge Mondays through Fridays from 7:30 a.m. until 6:00 p.m. and on Saturdays from 8:00 a.m. to 5:00 p.m. Drivers can book a test drive of a new Jeep Cherokee in Redcliffe in person or online. The dealership sells both new and used vehicles and is located at 320 Anzac, Avenue, Kippa-Ring 4021, Redcliffe, QLD.
