

Canadian Medical Test Prep Website, CanadaQBank Launches September Newsletter

The Canadian medical test prep website, CanadaQBank, has recently launched the latest edition of its newsletter.

FARMINGTON HILLS, MI, USA, September 22, 2014 /EINPresswire.com/ -- Recently, a well-known authority in the medical prep test field, namely [CanadaQBank](#), released the latest edition of its newsletter. The very first edition was released in June 2010.

Highlights in the most recent newsletter include the fact that this [Canadian medical test prep](#) site is now able to offer students more than 3900 practice questions relating to the MCCEE exam, 3000+ questions for the USMLE Step 1 exam and more than 100 instructional videos and tutorials. There are also more than 40 [USMLE Step 2](#) case studies available on the site, all of which help provide students with as much insight as possible into the final examination process.

The company has also released 18 mobile apps that are suitable for Android, IOS and Windows-based smartphone devices, all of which enable medical students to complete practice examination questions while they are on the move. Its Facebook page has more than 130,000 fans from around the world, while the company Facebook group is presently home to around 16,000 members. CanadaQBank is also active on Pinterest, Google + and Twitter, with 100+, 200+ and 1,100 followers on each of these popular social networking platforms respectively.
