

National University College - Online Division Now Offers the Freedom to Learn in English or Spanish

NUC-Online now offers all its programs both in English and Spanish, making this institution the first fully bilingual online university.

SAN JUAN, PUERTO RICO, September 21, 2014 /EINPresswire.com/ -- [National University College's](#) Online Division announced the availability of all its programs both in English and Spanish, making this institution, the first [fully bilingual online university](#) serving the local market and internationally, including the United States.

The option to study in the student's preferred language, reaffirms the commitment of the National University College Online Division to bring education to populations that are not always served with the appropriate quality and dedication. Moreover, this institution makes it even more accessible by offering extremely reasonable costs for everyone, along with quality education and all required institutional accreditations, including the Middle States Commission on Higher Education.

Having an offer completely online, the student has the benefit of being able to study easily and flexibly from anywhere in the world. As easily as having a mobile device on hand, you can continue with your daily routine and conveniently integrate the program of study from wherever you are.

"At National University College's Online Division, we want everyone to have the opportunity to study and have a bright future. We are here to help students before, during and after their experience in our institution. We provide all the support, from searching for information, to the cost of the program," said Dr. Gino Natalicchio, Executive Vice President of National University College's Online Division.

National University College is an institution authorized by the Puerto Rico Board of Education to offer [associate degree programs, bachelor's](#) and master through certification 2007-251. The Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104, accredits current certification from the 2007 National University College. (267-284-5000). Middle States Commission on Higher Education is a regional accrediting agency recognized by the Department of Education of the United States and the Council for Higher Education Accreditation (CHEA).
