

Jeep Compass Available For \$27K At Kippa Ring Jeep Dealer Northstar Chrysler

The smart and stylish SUV is on sale now at Northstar Chrysler Jeep Dodge. Visit the dealership to arrange a test-drive of the 2014 Compass in Redcliffe today.

REDCLIFFE, QLD, AUSTRALIA, September 23, 2014

/EINPresswire.com/ -- [Northstar Chrysler Jeep Dodge](#) in Redcliffe has the new 2014 Jeep Compass in stock with prices starting at \$27K. The sleek and stylish Compass has quickly become a favourite among drivers who want an elegant SUV that doesn't sacrifice performance.

Test-drive the [2014 Compass](#) in Redcliffe at the Northstar Chrysler Jeep Dodge dealership at 320 Anzac Avenue, Kippa Ring, 4021.

The \$27K driveaway price applies to the Jeep Compass Sport 4x2 and is available for a limited time only. The 5-speed manual transmission vehicle is the most fuel-efficient of the Compass models using just 8.3L/100km. Heated front seats and Uconnect Voice™ Command with Bluetooth® are standard on the Compass.

"The Compass is a luxurious compact SUV that is equipped with the latest technology and comfort features. Leather-wrapped steering wheels and heated seats are standard on the Sport, which is the base model of the Compass. Those are the types of special touches that make the Compass stand out from the competition," explained [Bob Aldons](#) of Northstar Chrysler Jeep Dodge in Redcliffe (<http://www.northstarchrysler.com.au>).

Other special touches include halogen headlamps with a self-levelling feature, front and rear fog lamps, and power folding, heated external mirrors. Jeep's legendary safety features have been incorporated into the Compass too, including:

- Electronic Stability Control (ESC) with Brake Assist
- All Speed Traction Control (ASTC)
- Electronic Roll Mitigation (ERM)
- Anti-lock Brake System (ABS)
- Advanced multi-stage driver and front-passenger air bags
- Supplemental side-curtain air bags

- Active head restraints
- Sentry Key anti-theft engine immobiliser and security alarm
- Supplemental driver and front-passenger seat-mounted side air bags

The 2014 Compass is available in three different models: Sport, North and Limited. Both the Sport and Limited are 2WD vehicles powered by a 2.0L 16V dual VVT petrol engine. The Limited features the Freedom-Drive active, full-time 4WD system powered by a 2.4L 16V dual VVT petrol engine. The Kippa Ring Jeep dealer currently has all three models of the Jeep Compass in stock and ready for purchase.

"Each Compass is slightly different from the others which gives buyers a chance to find the perfect model for their unique lifestyles. For drivers who want a manual transmission, we have Sport. For those who want 4WD, it's the Limited, while the North is a great choice for drivers who want an automatic transmission and a navigation system. It's really a fun auto to drive and I encourage anyone who is interested to come and take it out for a test drive. The special pricing is only available for a limited time," said Aldons.

To learn more about the 2014 Compass visit Northstar Chrysler Jeep Dodge online at www.northstarchrysler.com.au or see the dealership's Kippa Ring Compass selection in person at 320 Anzac Avenue, Kippa-Ring, 4021, Redcliffe, QLD.
