

Join Severn Trent Water, Essex County Council, LondonWaste, SMBCE, Impetus Waste Management at Energy from Waste 2014

SMi's 7th Energy from Waste, 13-14 Oct 2014, London, will look at the UK & EU EfW landscape with recent case studies, future plant projects & regulatory updates

LONDON, SOUTHWARK, UNITED KINGDOM, September 25, 2014 /EINPresswire.com/ -- [Energy from Waste 2014](#) will provide the ideal platform for a complete industry overview with updates on an array of EfW projects, latest technology advances and innovations, regulatory framework, financing models, CHP and district heating projects, feedstock in the supply chain along with case studies from the UK and Europe.

Event Highlights:

- Discover how Ofgem is helping UK meet EU targets towards reducing carbon emissions through the non-domestic RHI scheme with Technical Manager - Non-Domestic RHI, Frances Hale
- Learn from Greater London Authority's waste management system and how it is achieving zero waste by land-fill by 2031. London as the leader in waste management. Policy and Programme Manager, Andrew Richmond
- Green Investment Bank provides an update on the state of the financial markets and how to apply project finance techniques to EfW. Case studies at Green Investment Bank. Managing Director Waste and Bioenergy, Chris Holmes
- Receive key insights into what Oslo is doing to convert waste to energy and how it is achieving its objectives. The Norway example. Pal Mikkelsen , CEO, EGE (Waste to Energy Agency)

- Thames Water provides an overview of the wastewater industry in the UK. Renewable energy from sewage sludge by Waste Innovation Manager, Nick Mills
- Hear from the Merseyside Recycling and Waste Authority and gain valuable insight into the Merseyside and Halton Project - Providing sustainable and efficient solutions for municipal waste
- Understand and review the current state of the sector: size, shape and value of the 'renewable nation'. Redefining the problem to solve the problem. Shashanka Shekhar Panda, Founder-chairman and CEO, Blue Earth Enterprise

This is just a snippet of what will be covered. Other speakers will include Staffordshire County Council, Suffolk County Council, Resource Efficiency Pathway, Amey plus a Panel Debate with Copper Consultancy, SMBC, Green Investment Bank and CMS Cameron McKenna.
