

# Psychic Medium Rosemary Fox to be Featured on Close-Up Talk Radio

LARGO, FLORIDA, USA, September 25, 2014 /EINPresswire.com/ -- If you don't believe in yourself, you will stay where you are and nothing will change, but if you operate in a state of gratitude and you will receive more in life. You can make your life memories instead of wishes.

Rosemary Fox is a [psychic medium](#) with more than thirty years of experience as a reader and healer. In addition to her work as a psychic, Rosemary has also been a Reiki healing master for over twenty years.

Originally from the heart of Devonshire, England, Rosemary says she first encountered spirits and apparitions at the age of three. At the age of 12, she saw her first angel.

"I lived in fear of my abilities for a very long time because I was afraid of being judged," recalls Rosemary. "It was fascinating and terrifying all at the same time. My spiritual calling has changed the way I view life and death and everything else in between."

As a [tarot reader](#), Rosemary can sense energy and vibrations. As a psychic

medium, she can sense spirits. One thing Rosemary is not, however, is a fortune teller; her advice is a mirror into your future and a reflection of your past.

"People who do fortune telling are just going to tell you things you want to hear," says Rosemary. "You have to love yourself to understand the divine purpose for us all. I know my intention is good, so I've learned that if people believe in you, they will believe you. That's why my path is one of integrity."
