Can San Francisco get back to 500? The season is still early, but the 49ers are in a "must win" situation if they expect to have a shot at winning the NFC west. Philadelphia is undefeated at 3-0, and one of the most explosive teams in the NFL. Led by QB Nick Foles, the Eagles are a legit contender in the NFC conference.

Pittsburgh was considered a team reliant on the passing game, but last week the "steel city" brought back what made them successful during their Super Bowl years. Le'Veon Bell and LeGarrette Blount rushed for over 100 yards in the Steelers 37-19 win over the Panthers.

Is Andrew Luck the best QB in the NFL? From a statistical standpoint he's at the top of the list with 9 TD's and only 3 interceptions, but Indianapolis is 1-2 after two games.
