

# Leading New York Tile Company Announces Big Sales at Both Its Brooklyn and Staten Island Showrooms

*Classic Tile, importer of tiles for residential and commercial tile projects, has announced deep savings on countless tile products to suit every need.*

BROOKLYN, NY, USA, September 30, 2014 /EINPresswire.com/ -- According to Mr. Rutigliano, president of Classic Tile (<http://www.classictilenewyork.com/>) a family owned and operated [New York tile company](#), with showroom locations in Brooklyn and Staten Island, his company is currently having a major sale on quality tile products, imported from the finest manufacturers from around the world.

“At both of our showrooms in Staten Island and Brooklyn, we are offering an incredible array of the finest quality tile products, at deep discounts,” says Rutigliano. “We have such a diverse

collection of sale items available right now, that there’s no excuse to hold off on your planned renovation project any longer.”

According to Rutigliano, there are currently many styles and selections of tiles available on sale, including [subway tile](#), [beveled subway tile](#), crackle subway tile, porcelain tile, granite tile, mosaic tile, glass tile, ceramic tile, quarry tile, marble tile, glass and stone mosaic tile, slate tile, outdoor tile, wood look porcelain tile, and mosaic medallions, and more.

“The best part is, we have sale items for just about any project imaginable,” says Rutigliano. “From large projects to small projects, commercial to residential, interior or exterior, you will find sale items to fit any need.”

According to Rutigliano, subway tile is currently one of the most popular items at both of his company’s tile showrooms.

“Subway tile seems to be the most popular tile for remodeling projects these days,” say Rutigliano. “They are especially popular in bathrooms, for use in kitchens as back splashes, and for fireplaces.”

Classic Tile carries many styles of subway tile, including ceramic, glass, marble, onyx, porcelain,

beveled, crackle, metal, slate, and limestone.

“Anyone looking for quality imported tile for their next project can visit us online, where they can browse through a full line of subway tile and other tile products, as well as to see all of our available sale items,” Rutigliano says. “Or, you can call or come into our showroom, and one of our design consultants will help you choose the perfect tile to make your project come alive with beauty.”
