

# Success City Online Announces New Reseller Agreement with GoDaddy.com

*Success City Online, Henderson, Nevada based web design and social media company, announced today a reseller agreement with GoDaddy.com.*

HENDERSON, NEVADA, USA, October 1, 2014 /EINPresswire.com/ -- Under the terms of the agreement, the company will now be able to offer domain name registry, web hosting, email hosting, email marketing, search engine marketing, SSL certificates and more web-based services. [Success City Online](http://www.successcityonline.com/) will integrate GoDaddy's program into their mix of web based services from their website, <http://www.successcityonline.com/> and [www.SuccessCityWeb.com](http://www.SuccessCityWeb.com) in order to provide them to their expanding customer base. With its company headquarters in Scottsdale, AZ, and serving both coasts and several continents, GoDaddy.com is the world's largest domain name registry.

Success City Online CEO, Maria Bailey stated, "We have for years suggested GoDaddy to our customers as we trust them to have the services they need at good prices and their customer service has always been excellent. When we were approached by GoDaddy to sell their excellent products instead of just referring them, we realized we could provide even better service to our customers because we can be on hand for their questions and become a one-stop-shop. We can even save our customers a few bucks in the process."

Success City Online continues to enlarge their [web services](#) business through multiple offerings. They provide affordable [website packages](#) with no large upfront fee, social media services, blog writing/promotion and video services too. The addition of this new reseller agreement enables the company to meet all of their customer's needs. Company CFO, Mick Bailey added, "With the strength and reputation of GoDaddy and our own commitment to service, this is a natural way for us to better take care of our customers."

About Success City Online - Success City Online specializes in providing mobile friendly, search-engine-optimized websites, social media services and blogs for small businesses. They understand

that the most important job is to take care of customers and business owners don't have the time to be a web master, social media expert and blogger too. But a website has to stay current to be effective. It needs frequent content updates to keep good search engine results. Success City Online makes it easy with solutions that work for busy small business owners. They teach customers to blog, update their own website and use social media - or they will provide those services for them at affordable rates. They host the Success City Radio Show and help customers with YouTube. For more information, visit [www.successcityonline.com](http://www.successcityonline.com). Websites, Social Media, Blogs & Videos – all made easy so you get found online.
