

Leading experts in border security and control, human trafficking, immigration and biometrics to meet in Rome, FEB 2015

SMi Group reports: Border Security meeting enters its 8th year & will be held on the 18-19 FEB 2015 in the Italian capital/base of NATO's defense college, Rome.

ROME, ITALY, October 3, 2014 /EINPresswire.com/ -- This year's meeting will focus on European [Border Security](#) and current operations in the region. Modern and innovative solutions, such as the use of satellites and Unmanned Aerial Vehicles will be presented on, giving you current methods to boost your border security. Emphasis will too be placed on the issue data privacy and protection and how to overcome this when implementing ABC and EES systems.

A promotional poster for the 'Border Security' meeting. The top half is white with black text: 'SMi Group proudly presents its 8th annual'. Below this, the words 'BORDER SECURITY' are written in large, bold letters, with 'BORDER' in blue and 'SECURITY' in red. Underneath, the dates '18-19 FEBRUARY 2015' and location 'ROME, ITALY' are listed in black. The bottom half of the poster features a photograph of a border fence with multiple layers of barbed wire stretching across a flat, open landscape under a blue sky with light clouds.

Event programmes includes case studies from the European nations and leading security organisations about land, port and air borders, biometrics as part of [border control](#) and much more. These topics will be addressed by a wide range of recongnized and respected speakers from Italy, UK, Germany, Austria, Spain, Poland, Ukraine, Belgium, France and many more.

Event speakers include:

John Vine, Independent Chief Inspector of Borders and Immigration; Peter Waldbauer-Hable (Senior Detective Chief Inspector), Bavarian Police; Adriano Baptista (Head of Operations Division), EU Satellite Centre; Roberto Mugavero (Faculty of Engineering Professor), University of Rome; Danielle Sharp (Head of Border Security), Gatwick Airport (L G W); Krum Garkov (Executive Director), EU-lisa; Ulrich Weynell (Head of ISN Security Technology), International Security Network; Hartikainen Antti (Head of Mission at EU Integrated Border Management Assistance Mission in Libya), EUBAM; Bernhard Strobl (Project Coordinator), EU MobilePass Project; Daniel
