

Introducing the 6th annual Joint Forces Simulation and Training conference

Joint Forces Simulation and Training 2014 takes place on the 2nd and 3rd February, London, UK

LONDON, UK, October 8, 2014

/EINPresswire.com/ -- SMi are delighted to announce the registration for the 6th annual Joint Forces Simulation & Training [conference](#) is now open.

As militaries focus on collectively implementing innovative simulation and virtual training systems that are both cost effective and successful in the delivery of training, this conference is a must attend event. Join SMi and be part of a major networking experience showcasing in depth discussions on joint forces training initiatives, plus a spotlight on current training tools which allow the development of strategic alliances and knowledge transfer, such as computer games and smart devices.

The exceptional speaker line-up includes:

- Brigadier General Dzintars Roga, Assistant Chief of Staff, Joint Education, Training and Exercises, Joint Force Trainer, Allied Command Transformation, NATO
- Brigadier General Recep Unal, Commander, Air Training, Turkish Air Force
- Wing Commander Matt J Grafton BEng RAF, Officer Commanding Air Battlespace Training Centre, RAF Waddington
- Major Roar Wold, Head of Educational Support and Sims, Norwegian Army Military Academy, Norwegian Army
- Captain Bjorn Persson, Head of Education Programmes, Air Combat Training School, Swedish Armed Forces
- Colonel Andrew Cuthbert, Commander, British Military Advisory Training Team (Czech Republic), BMATT (CZ) (Vyskov)
- Colonel Uwe L. Heilmann, German Air Force, Branch Head, C4ISTAR, NATO Joint Air Power

Competence Centre

- Jonathan Read, Head of UK, Bohemia Interactive Simulations

Don't miss - An interactive post-conference workshop on:

eLearning revisited: A practical, wide-ranging review of the techniques, tools and strategies essential for delivering successful eLearning.

Hosted by: Tim Neill, Independent eLearning Consultant on the 4th February 2015

Key reasons to attend:

- New for 2015– Presentations from Estonia, Turkey and Czech Republic
- Learn how to create a warfighting capability that can rapidly react as a collective force
- Examine the impact of utilising virtual training programs in a single environment to maximize benefits and keep costs down
- Discover how future capabilities will be implemented and how military simulation & training will be affected
- Hear cutting edge presentations spotlighting operational experiences from militaries across the globe
- Join our two interactive panel discussions on: Introducing modelling and simulation for autonomous systems and What are the current issues for delivering training for contingency in a joint environment?

To secure your place & save £300, you can visit www.jointforcetraining.com to register. Alternatively you can contact the team on +44 (0)207 827 6000 for further information.
