

EaseUS Offers iPhone 6 Users with A Plan B in Case of iPhone Data Emergency

With the hot sale of iPhone 6, complaints came after fans bought their iPhone home. EaseUS offers iPhone users with a plan B in case of iPhone data emergencies.

NEW YORK, NY, USA, October 8, 2014 /EINPresswire.com/ -- [EaseUS software](#) brings a new solution which can be regarded as a plan B for iPhone 6 users who are complaining troubles that they've met. In case of some unexpected data emergencies, EaseUS software promotes its iDevice data recovery software so as to help inexperienced iPhone 6 users out of data troubles.

EaseUS MobiSaver offers plan B for iPhone 6 users

News from EaseUS: Though some iPhone 6 users complained that it could be so easy to get iPhone 6 cracked, bent, dented and even drowned, countless iPhone fans are still so enthusiastic about this new phone. To prevent worse situations such as data troubles occur to iPhone 6 users, EaseUS software seeks every opportunity to upgrade its [iPhone data recovery software](#) - EaseUS MibiSaver into advanced version so as to support restoring data from iOS 8 in iPhone 6 better. EaseUS software takes the first step in offering a more reliable and secure solution for iPhone 6 users for protecting data security on their iDevices and prevent losing data in case of emergencies such as break or drown iPhone 6.

“ We’ve ceased all our projects so as to focus on the job of improving our iPhone data recovery software - EaseUS MobiSaver. The whole D&R team members of EaseUS MobiSaver almost worked a whole week to figure out what we can do with our software so as to support iOS 8 and iPhone 6 data recovery better.” said Benjamin Huang, PM of EaseUS iPhone data recovery software, “ Finally we made a breakthrough and figure out the barriers in restoring iOS 8 data. Then everything got solved with the efforts made by our excellent software developers and engineers.” Surely, EaseUS iPhone data recovery software - EaseUS MobiSaver becomes an ideal plan B for iPhone 6 users when some unexpected situations happen to them.

This so-called Plan B - EaseUS MobiSaver supports users to restore their iPhone 6 data from the cellphone directly and even recover backup files from iTunes. Despite it’s said that the large screen iPhone 6 can be sort of inconvenient for some petite users and it can be very easy for some of them break the phone or drop it into water. In case of losing important data in iPhone 6,

now EaseUS MobiSaver is available to help to rescue data from broken iPhone 6 and some other troubles data cases. EaseUS software also offers a [free iPhone data recovery software](#) - EaseUS MobiSaver Free for those users who need only restore one file or very few data from their iDevices. A plan B - EaseUS MobiSaver for protecting iPhone 6 data security is available now at: <http://www.easeus.com/mobile-tool/iphone-data-recovery-pro.html>. Whatever iPhone users are concerning about, EaseUS software will always take the first step to solve their troubles and data emergencies.
