

Magic Logix Launches Brand New Responsive Website for WOLMED

Sleek & Streamlined, the Newly Redesigned & Fully Responsive WolMed.com Arrives in Style by Magic Logix

DALLAS, TX, USA, October 10, 2014 /EINPresswire.com/ -- [Magic Logix](#) is happy to announce the launch of the newly redesigned and redeveloped [WOLMED.com](#).

The new website for the team of Denton and Dallas based physicians is fully responsive across all mobile, tablet and desktop devices. Staying true to Magic Logix's high standard of design, the clean and sleek UI across all platforms provides the user with an ideal web experience. Consistent with modern design trends and practices, features include JQuery parallax scrolling with vivid full screen images. Information is easily accessible, and patients have access to forms, an online chat, blogs, RSS feeds and the ability to schedule appointments directly from the site.

Also new to the site is an extensive photo gallery that invites the user to see many of the features and benefits of both the Denton and Dallas doctor's offices and pain management rehabilitation centers. This includes a work hardening area, a SwimEx machine, a sauna, x-ray areas, multiple exam rooms and more. The user focused layout also features social integration and supports all of WOLMED's social channels, allowing fans of the brand to be featured on the website.

Technical specifications include the following:

- Drupal 7 was the preferred CMS
- PHP templates for Drupal 7 were used
- CSS3 Animations, Transitions and JQuery on the Front-end
- LESS framework for CSS
- Custom canvas animation
- Custom sliders and effects on the homepage
