

Local author signed to publish new fantasy novel.

*SANTEE, Calif. — Tate Publishing is proud to announce the signing of local author Jordan Zuniga and his to-be-published fantasy novel *The Guardians of Xegarath*.*

SANTEE, CA, USA, October 11, 2014 /EINPresswire.com/ -- *The Guardians of Xegarath* is a tale that takes place in the world of Xargarath, where deep inside the realm of the forbidden dark forest Xemarath the lord of all evil, is planning his escape. His brother Xegarath has chosen guardians to guard his ancient land and stop Xemarath in his tracks, less the world be consumed by the hellfire Xemarath would soon unleash.

“The Guardians of Xegarath, was founded on the idea that all beings on this planet have a purpose to serve no matter how major or minor the roll, what religious views you have, what sexual orientation you have, or what side of the political spectrum you are in,” says Zuniga. “All human beings have a purpose to serve in this world.”

Jordan Zuniga

Published by [Tate Publishing](#) and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Jordan Zuniga was inspired to write by many authors, including, Andrew Wolter, Shane Moore, A.V.I. J.K. Rowling, J.R.R. Tolkien, and Edgar Allen Poe who have all left a mark on my writing, one way or another. Zuniga is a victim of a near successful suicide attempt, and often says “if there was one thing you can say when you survive death itself, is that it changes everything and makes you grateful for the future and the destiny you could have so easily lost by your own hand.” Zuniga is also an active MMORPG player and Magic the Gathering gamer, with his primary MMO being World of Warcraft. His active imagination in the Dark Fantasy Genre lent to *The Guardians of Xegarath*.
