DAVENPORT, FL, USA, October 11, 2014 /EINPresswire.com/ -- [Tate Publishing](#) is proud to announce the signing of local author [Dr. Robert White](#) and his soon-to-be-published Christian growth book [The Five/Fifty Challenge: Five Practices of Authentic Followers of Jesus Christ](#).

The Five/Fifty Challenge is about five practices for authentic followers of Christ. These five practices done consistently for fifty days can bring about stunning life transformation.

When asked about the inspiration behind the series, White shared, “[The] inspiration for writing the book came from the need for meaningful help in the area of discipleship. Believers, young and old, need a practical plan for developing these five life disciplines that lead to lasting life change and real growth in their faith walk. After observing the haphazard and inconsistent approach to spiritual growth in so many believers, my passion for discipleship took over and this book is the result. I knew the book had to be simple, easy to use and thoroughly Biblical. I believe The Five/Fifty Challenge has hit on all three requirements.”
