

Europe's longest running Gas to Liquids event to start in 2 weeks.

Smi Group are delighted to announce their 17th annual Gas to Liquids Conference will take place in London, UK, on the 29th and 30th of October 2014.

LONDON, ENGLAND, UNITED KINGDOM, October 13, 2014 /EINPresswire.com/ -- Regularly visited by over a hundred experts from around the world, this year's event will provide the ideal platform for discussion over current and emerging [GTL](#) projects, developments within the industry, technology sessions and GTL projects financing delivered by senior level speakers from the world's foremost authorities on GTL.

With representatives from innovative companies this 2 day conference and workshop will cover leading project updates from North America, Europe, Africa and Asia, project financing, technology innovations, large- and small scale GTL, economics and products as well as much more.

Event speakers include leading experts from Sasol, Primus Green Energy, INPEX Corporation, PetroSA, Velocys, Solena Fuels, Renaissance Heavy Industries, BP, ExxonMobil Research & Development, Aleph Sciences Group, Southern Research Institute, US Department of Energy and many more.

Benefits of attending

- Hear from the leading large and small scale GTL projects across the globe
- Discuss methods and strategies on how to finance your GTL project
- Understand the fundamental characteristics of what makes a successful project
- Network with the leading technology providers
- Discover the routes to market for a variety of GTL products

Plus, visit an interactive half-day [pre-conference](#) workshop: SUCCESSFULLY EXPLOITING GAS-TO-LIQUIDS OPPORTUNITIES. Presented by Alex Forbes, Director, Forbes Communications Ltd

With the event is only 2 weeks away, the availability is limited. Those willing to attend are advised to contact event organisers to secure the seat.

[GTL-2014](#) is proud to be sponsored by Aleph Science Group, Ariel Corporation and BP. Supported by Interfax Energy, Cedigaz, European Gas Hub, Gasworld, MJM Energy, Oil and Gas Journal, Petroleum Africa and many more.
