

AbbVie, Novartis, Janssen, Novo Nordisk, Boehringer Ingelheim to present at 7th annual Pre-Filled Syringes in London

SMi Group reports: Christopher Tomas, Technical Manager, AbbVie, will be presenting at the 7th annual Pre-Filled Syringes Conference and Exhibition

LONDON, ENGLAND, UNITED KINGDOM, October 14, 2014

/EINPresswire.com/ -- SMi Group are delighted to announce that Christopher Tomas, Technical Manager, AbbVie, will be presenting at the 7th annual [Pre-Filled Syringes](http://www.pre-filled-syringes.com/) Conference and Exhibition, taking place in London on the 28th and 29th of January 2015. In his presentation entitled "Challenges and solutions with glass cane source change" Mr. Tomas will be considering unexpected challenges that can arise from a simple "like-for-like" change in primary packaging components.

A promotional poster for the 7th Annual Conference on Pre-Filled Syringes. The poster features the title 'PRE-FILLED SYRINGES' in large, bold, gold letters. Below the title, the dates '28-29 JANUARY 2015' are displayed in orange, followed by 'London, UK' in black. At the bottom, the website 'WWW.PRE-FILLED-SYRINGES.COM' is listed. On the right side, there is a small image of a pre-filled syringe and a brochure for the event. The brochure includes the text 'SMi Presents the 7th Annual Conference on... Pre-Filled Syringes' and '28-29 JAN 2015'. It also mentions 'Marriott Regents Park Hotel, London, UK' and lists several sponsors including BDI, Schott, and others. The poster is framed by a thin black border.

Event programme for [Pre-Filled Syringes- 2015](http://www.pre-filled-syringes.com/) includes case studies, presentations and round table discussions on the key issues surrounding the latest developments in the pre-filled syringes market and regulatory considerations. This is a must attend event for those focusing on the latest developments and enhancements in the design and manufacturing of pre-filled syringes and injection devices.

Detailed regulatory considerations, new developments, industry challenges and risk assessment will be addressed to enhance product development, cost efficiency and efficacy

Plus, event programme includes 2 [interactive pre-conference](#) workshops (27 January 2015, Marriott Regents Park Hotel): The Development of Pre-Fillable Syringe Systems, hosted by Schott Schweiz AG, and Non-clinical considerations for developing a small volume parenteral drug

product, hosted by Forest Laboratories, a subsidiary of Actavis.
