

# IT Governance congratulates client Vodafone UK on achieving ISO27001 certification

ELY , UNITED KINGDOM, October 20, 2014 /EINPresswire.com/ -- [IT Governance](#), the global leader in ISO27001 expertise, is delighted to congratulate telecommunications company Vodafone UK on its successful certification to ISO27001, the international information security standard. This Vodafone project was supported by IT Governance consultants who worked closely with the client's team to help implement an information security management system (ISMS) and prepare for accredited certification.

Steve Watkins, director at IT Governance, says, "It's been a great pleasure working with Vodafone UK on this comprehensive ISO27001 project and I am thrilled at their success. I am confident the company will reap the benefits of the business-aligned solution that we helped design and embed."

In an official press release, Howard Pinto, Head of Technology Security at Vodafone UK, said: "Our standing as a trusted partner to the public sector means ISO 27001 is an essential part of our portfolio, but also means we can help organizations uphold their integrity and reputation as they face much more sophisticated security threats than ever before."

Vodafone recently became the first telecoms firm in the UK to comply with the UK Government Cyber Essentials Plus accreditation. The company was also supported in that project by IT Governance consultants.

IT Governance has recently become the first company in the world to launch 'all-in' [ISO27001 packaged solutions](#) that are accessible online and can be deployed by any company, anywhere in the world, that wishes to implement the ISO27001 standard and prepare for certification.

Each solution is a combination of products and services in a fixed-price, fit-for-use package sure to meet any organisation's preferences for tackling ISO27001 compliance projects. Each of the four ISO27001 packaged solutions is available at a transparent price that enables every organisation to know exactly what their chosen journey to ISO27001 certification will cost them.

The all-in, ISO27001 'Do it yourself', 'Get a little help', 'Get a lot of help' and 'We'll do it for you' packages can be ordered online at [www.itgovernance.co.uk/iso27001-solutions.aspx](http://www.itgovernance.co.uk/iso27001-solutions.aspx).
