

Large Microscope Auction

McBain Systems 50th Anniversary prompts large Microscope Sale of excess microscopy equipment at auction.

SIMI VALLEY, CA, USA, CA, USA, October 16, 2014 /EINPresswire.com/ -- An established California based microscope supplier (McBain Systems) is celebrating 50 years in business and what better way to celebrate than offer great prices on high quality microscopes and accessories. McBain is clearing out excess inventory on a number of microscopes, microscope parts and other scientific equipment that are used for applications in science, laboratory, education, and industrial microscopy. These items are in excellent working condition, some are reconditioned but most are brand new or demonstration models.

Items include Industrial and Biomedical microscopes from: Leica, Olympus, Zeiss, Leitz, American Optical, Bausch & Lomb, and Reichert as well as:

Microscope objectives from Leica and Olympus
Condensers, binoculars, stages and filter cubes from Leica and Olympus
Real-time Confocal from Visitech, International
Histology equipment from Leica
XY stages from McBain and Aerotech
XYZ platforms from McBain and Micrometrics
1000 FPS Phantom camera from Vision Research
OGP Smartscope
Microscope cameras from Leica, Olympus, Diagnostics, Sony, Polaroid and more
Lasers from Mellos Griot and Spectra Physics
Microscope Filter Wheels and controllers from Sutter and Ludl
AOTF from NEOS
Micromanipulators from Eppendorf and Narashige
Isolation tables from TMC
Optical bench from Newport
Centrifuge from Therma
AND MUCH MORE!!!

The auction opens on October 20, 2014 and closes on October 23, 2014. To bid please go to www.mriauctions.com or visit the Microscope Specials page of McBain's website www.mcbainsystems.com for more information.

These high quality microscopes will not last long. Sign up for the microscope auction today so you can bid and buy your ideal microscope on sale.
