*In other words, they'll be getting down to the business of living... and thriving.*

FAIRFIELD, NJ, USA, October 16, 2014 /EINPresswire.com/

-- At a conference being held at the Fairfield Executive Inn in Fairfield, New Jersey, women will be getting back to "business"... NOT as usual. Hosted by America's Love

Your Life™ Coach [Caryn Chow](#), the theme at [Biz 360](#) Women's Business and Soul Conference will be around women, wisdom, wellness, wonder and work. In fact, while on tour recently to promote her forthcoming book, Miss Chow declared in an interview with Fox 5 Las Vegas Morning News anchor Monica, "I believe you CAN have it all!" This is what will be covered at Biz 360.

While organizing the event Caryn was mindful in selecting the right speakers. An obvious choice was Woodland Park, NJ resident [Joan Herrmann](#), Host/Producer of the radio show Change Your Attitude...Change Your Life (CYACYL) which airs Sundays at 12:30 am ET on New York's WOR 710 am, the #1 News/Talk radio station in the New York market, and streams on iHeartRadio. CYACYL showcases lifestyle experts and topics that affect the mind, body, and spirit. Joan's guests and magazine contributors list reads like a Who's Who of the most influential and inspirational people in the world. Joan was a speaker at the 2012 New Jersey Governor's Conference for Woman, and presented a keynote address with Dr. Bernie Siegel at a Power of Positive Medicine conference.

Joining Caryn and Joan is founder of EmpowHer, Michelle King Robson. Following an illness from an unnecessary hysterectomy, Michelle became a nationally recognized women's health and wellness advocate. Her mission is to make sure women are educated, have support and are empowered to lead healthy and happy lives by connecting them with a community of experts, doctors and people like them who provide reliable health and wellness information, inspiring stories and answers to real health questions with a 24-hour promised response time. Michelle currently serves as an Advisory Council member for the Mayo Clinic in Scottsdale, Arizona, on the California Women's Conference Advisory Board. She was interviewed by Deepak Chopra for his series One World on newswirefm.com, has received numerous awards and citations and was named Magazine's the health advocate and voice of women's medicine & women's rights.

Getting back to the business of living is facilitated with the help of health, image, beauty, romance and success workshops, followed by three uniquely entertaining presentations: Fired Up with Soul Wisdom, Wellness, Wonder Panel; Tea for the Soul; and Music, Poetry and Art in Motion contest, all of which connect Mind-Body-Spirit.

Registration is happening now. There are a limited number of tickets available through October 25th at the buy one, get one price of \$127. The event runs from 8:30 am to 4:00 pm, and coffee, tea and snacks will be provided all day.
