

IT Governance announces partnership with itSMF Australia

As a result of this partnership, members of itSMF Australia will receive 10% off a wide range of ITSM and ITIL® books.

SYDNEY, AUSTRALIA, October 22, 2014 /EINPresswire.com/ -- [IT Governance](#), the global leader in IT governance, risk management and compliance expertise, has announced a new partnership with [itSMF Australia](#). As a result of this partnership, members of itSMF Australia will receive 10% off a wide range of ITSM and ITIL® books, standards and tools purchased from the dedicated [online bookstore](#).

Alan Calder, founder and executive chairman of IT Governance, says, "I am delighted with the new partnership and our team is looking forward to working with itSMF Australia. I firmly believe that our comprehensive online offering and extensive and knowledgeable customer service, coupled with proven logistical and e-commerce expertise, will add value to all members of itSMF Australia."

Bruce Harvey, itSMF Australia's executive officer, views this as a significant additional benefit for his members. Harvey stated, "Our active partnership with IT Governance will enable our Members direct access to a much larger range of current literature and at better prices. This is a great partnership and one which will continue to bring benefits over many years to come."

The online bookstore carries the full range of official ITIL titles (and other AXELOS® publications) in all formats (including online and multiuser), plus ITGP titles, international standards (e.g. ISO/IEC 20000), and IT service management books from almost every other publisher in the world.

The itSMF Australia bookstore is available at www.itgovernance.asia/t-itsmf-australia.aspx.
