/EINPresswire.com/ -- Workoutz.com, the online exercise video resource and exercise equipment retailer has released its first-ever product [catalog](#).

The new 2015 catalog consists of more than 60 pages and features thousands of unique items, including all new fitness and health related products. The newly added items include physical therapy aids, cardiovascular equipment, cross training equipment, boxing/MMA equipment, sporting goods, and aquatic fitness products.

The Workoutz 2015 catalog consists of more than 60 pages and features thousands of unique items, including all new fitness and health related products.

“

The catalog is a direct result of customer interests. It is also a way for the company to showcase its full product offering.”

Justin Leonard

“The catalog is a direct result of customer interests. It is also a way for the company to showcase its full product offering,” says founder Justin Leonard. “Through exclusive partnerships with top manufacturers and suppliers, we can now offer just about any fitness related product to our global customer base.”

The 2015 catalog is available in three formats: print, online, and mobile. The web-based catalog requires no

downloading or special software for viewing across any web browser. Mobile users can flip through a fully interactive virtual catalog from most smartphones and portable devices. A PDF version of the catalog can be downloaded, printed, or shared via both the mobile and web-based platforms. Customers may also request a free catalog by mail.
